## How do we return the instrument?

Please call us at 920-923-1925 or email us at mike@mikesmusic.net to inform us that you'll be returning the instrument. If school is in session, you can return it to your director. Please make sure the band director knows of your intent to return the instrument. **Please do not leave the instrument without contacting Mike's Music and Sound first!**

## Do we return the instrument for the summer?

Not if you want to continue in band or orchestra the next year. If you return the instrument, all the equity that has been put towards it will be lost. There is usually some kind of summer program offered or private lessons are always available. If you do not want to continue renting after summer, then yes, return the instrument to your director before school lets out. **Rent is charged as long as you have the instrument, whether you use it or not.**

**Please fill out the required information below and place in the instrument case.**
